LAKE ELBO CLUB, INC

RULES & REGULATIONS

Updated January 17, 2021

The purpose of these rules and regulations is to preserve the beauty of Lake Elbo and enable all members in good standing to; (a) have equal rights and privileges and (b) to live in harmony for the betterment of the entire community.

SECTION A

ENFORCEMENT OF RULES

1. It shall be the responsibility of the general membership to abide by the rules and regulations of Lake Elbo Club, Inc. If you, as a member, observe a violation of the rules, it is your duty to inform the offender of the violation.
2. If you cannot resolve the problem yourself, the next step is to take the matter to a meeting of the Board of Directors. If the Board of Directors determines it necessary, they will summons the violating member or members to a Board of Directors meeting where the problem will be addressed.
3. If the member continues to break the Rules and Regulations of Lake Elbo Club, Inc. after being summoned to a Board Meeting, the Board of Directors may then suspend all privileges of that entire membership's use of Lake Elbo property with the exception of the access roads for ingress and egress. (*Membership as referred to in Section B, Rule 1*)
4. If the member, after being suspended, continues to use the Lake and/or its facilities, the Board of Directors may take legal action against that membership.

LAKE ELBO CLUB, INC
RULES & REGULATIONS

Updated January 17, 2021

SECTION B
MEMBERSHIP

1. Every owner of a lot/or lots in the Lake Elbo subdivision will be considered to be a member of the Lake Elbo Club, Inc. Membership is mandatory and irrevocable.

A membership will be restricted to the following parameters:

- a. One single family and the immediate members of that family who are twenty-five (25) years old or younger.

(OR)

- b. A single owner and one (1) companion, both of whom reside in a common Lake Elbo residence, and the children twenty-five (25) years old or younger of either of the two primary members.

Note: Only the owner of record has voting rights and only one vote per membership is permitted.

If relatives not covered above, or housekeepers, or medical caregivers reside in a Lake Elbo residence, they are required to pay annual dues of \$100 yearly and will then have all usage rights. The aforementioned persons must abide by the stipulations set forth in Section I of these Rules and Regulations. These persons have no voting rights.

2. It is ***the responsibility of the seller of a lot/or lots to submit the proposed buyer to the Board of Directors***. It is then the responsibility of the prospective new member to obtain a membership application from the Secretary of the Lake Elbo Club, Inc. The prospective buyer must then present the completed application ***in person*** to the Board of Directors at a regularly scheduled meeting of the Board of Directors for approval prior to closing on the property.

These Rules and Regulations, their restrictions, terms and conditions, are assumed, adopted and agreed upon by the purchaser of any lot situated in the registered plat of which these Rules and Regulations are a part of and shall be effective at the time a lot is purchased.

LAKE ELBO CLUB, INC

RULES & REGULATIONS

Updated January 17, 2021

3. Dues and Assessments for the current year are not transferable from the seller to the buyer. The new membership shall be assessed Dues and Assessments from the closing date until the end of the calendar year. The seller of the property will have his/her prepaid Dues and Assessments pro-rated and returned to him/her by the Treasurer as soon as the purchaser has met his/her payment obligation.

The owner of any lot, by acceptance of a deed therefore, whether or not it shall be so expressed in such deed, is obligated and agrees to pay to the Lake Elbo Club, Inc.

(a) annual lot assessments and (b) annual membership dues.

4. **Membership Dues and Assessments shall become due February 1 of each year. If at least half of the total obligation is not received by March 1 of the same year, a \$25.00 late fee will be assessed to that membership and that membership will be considered delinquent.** Such delinquency automatically suspends all persons represented by that membership (*See Rule 1 of this section*) from usage of the Lake or any Lake Elbo property except for access roads for the purpose of ingress and egress only. This membership will be considered delinquent until such time as the account is brought up to date. Such a delinquent membership has no voting rights while this membership is in the state of default.

If a member elects to divide his/her obligation in half, the second half will become due June 1 of that year. If this obligation is not met by June 15 of that same year, a \$25.00 late fee will be assessed to that membership and that membership will be considered delinquent.

5. If Dues and Assessments become delinquent, the Board of Directors shall take legal action to collect those Dues and Assessments. As well as demand for monies represented by the Dues and Assessments, the filing will also include a demand for monies represented by the filing fee, legal fees and compensation for wage loss of the person representing Lake Elbo Club, Inc. in such action.
6. A member who has met his/her Dues and Assessments obligation and is obedient of the Rules and Regulations, Bylaws, and Restrictive Covenants of Lake Elbo Club, Inc. is entitled to the use of Lake Elbo property to include the Lake, the beach and the park areas. Such a member is also entitled to usage of the Clubhouse with the payment of usage charges.
7. Guest of members are welcome at Lake Elbo, but must abide by all Rules and Regulations of the Lake Elbo Club, Inc. These guests are welcome to use Lake Elbo property, ***but only if in the presence of their host-member and the host-member is a member in good standing.***

SECTION C

IN CASE OF EMERGENCY

1. **DIAL 911**
2. Be prepared to give as much information as possible, i.e., who is calling, the actual location of the emergency and on which side of the Lake.

Do not assume that a fire has been reported. The property may be unoccupied, or the fire may not have been reported for other reasons.

SECTION D

FISHING

1. Members in good standing may allow their guests to fish at Lake Elbo, but only if the host-member is in the presence of the guest.
2. Members and guests must hold a valid State of Kansas fishing license, if required by State regulations. All Kansas fishing regulations will apply in addition to any special regulations adopted by the Lake Elbo Club, Inc. and further explained in the Rules and Regulations or posted in an obvious location near the Lake.
3. Lake Elbo has in force a slot limit on all bass. All bass caught that are between 14 and 17 inches in length must be immediately released back in to the Lake unharmed. These fish are the most prolific breeding fish and the predators. Releasing these fish will ensure good bass fishing and improve bluegill and crappie fishing. Fishersperson are also required to immediately release any channel catfish less than 10 inches in length.
4. Minnow will not be discarded into the Lake. No live rough fish such as goldfish, carp, buffalo, shad, etc. may be used as bait.
5. Fish heads, entrails or carcasses are not allowed to be deposited in the Lake or into any Lake Elbo Club trash receptacles.
6. Fishersperson shall stay out of the main body of the Lake during skiing and speed-boating hours unless the area is clear of skiing or speed-boating activity.
7. The use of ***any fishing equipment on the swimming dock at the clubhouse is prohibited and fishing is not allowed in the clubhouse swimming area.***
8. The use of trot lines or bank lines is prohibited in Lake Elbo waters to include but not limited to the main Lake body, coves, the channel and the dredging area possessed by the Lake Elbo Club, Inc. situated North of the Lake Elbo Subdivision northern border.

SECTION E

USE OF WATERCRAFT

1. All State of Kansas boating regulations will apply at Lake Elbo.
2. Only watercraft (motorized or non-motorized) owned by Lake Elbo Club members will be allowed on the Lake. Such watercraft must carry "Lake Elbo" sticker on the right side, toward the stern section, and must be in place before the watercraft is allowed on the Lake. The Secretary or Treasurer of the Lake Elbo Club, Inc. is responsible for assigning watercraft stickers. ***A one-time fee of \$10.00 will be assessed for each craft registered.***
3. ***Lake Elbo Club, Inc. is not responsible for watercraft accidents.*** It is the responsibility of the owner of a watercraft to carry his/her own liability insurance on the craft. Each watercraft owner shall be responsible for any negligent actions including those of any person or persons in the watercraft and those of any skier being towed by that craft at that particular time.
4. Skiing and speed-boating hours will be from 10:00AM until 6:00PM daily with the following exception:

Each year, commencing on the Saturday of the week-end on which Memorial Day is observed and concluding on the Monday evening of Labor Day weekend, the skiing and speed-boating hours will be from 10:00AM to 8:00PM daily.
5. Before and after skiing hours, watercraft will not generate a visible wake.
6. Watercraft shall not generate a visible wake when entering, boating in or leaving the channel or cove areas.
7. Any watercraft that is towing skiers shall have two (2) persons in the boat at all times unless the craft has an approved ski mirror installed.
8. ***Watercraft (motorized or non-motorized) will not be allowed in the Lake Elbo Club swimming area.***
9. Sailboat and small watercraft shall stay out of the main body of the Lake during skiing and speed-boating hours unless the area is clear of skiing or speedboat activity.
10. Two gas-powered watercrafts participating in speed-boating or skiing activity shall be the maximum allowed on the Lake at the same time. If there are in excess of two such crafts, a rotation system shall be used.

LAKE ELBO CLUB, INC

RULES & REGULATIONS

Updated January 17, 2021

11. During speed-boating hours, all gas-powered watercraft shall run in a counter-clockwise direction at all times.
12. During the time a gas-powered watercraft is creating a wake, that watercraft as well as persons being towed by that watercraft must stay at least 20 yards from the shoreline and any obstruction to include but no limited to docks and moored craft.
13. Any watercraft displaying negligent actions and the member holding title to said watercraft will be suspended from Lake usage for two (2) weeks for the first offense. A second such offense will result in that watercraft and the owner of the craft being suspended from Lake usage for the remainder of the boating season. Law enforcement personnel will be summoned to enforce State boating regulations on Lake Elbo.

SECTION F

SWIMMING

1. ***There is no lifeguard on duty at the club swimming area. Lake Elbo Club, Inc. is not liable for accidents and you do swim at your own risk.***
2. Swimming is permitted only in the following areas:

Alcohol – The Lake Elbo member renting the Clubhouse shall assume all liability for the consumption of alcoholic beverages and any negligent actions taken by themselves or their guests as a result of this consumption. As mandated by Kansas law, no alcoholic beverages are to be served to minors in attendance of any function held on Lake Elbo Club, Inc. property.

SECTION J

MAINTENANCE BUILDING

The maintenance building located in the northwest corner of the Lake Elbo Subdivision is primarily for the purpose of storing Lake Elbo Club equipment and materials used in the upkeep and maintenance of that subdivision.

1. When there is space available, a Lake Elbo Club member may rent space inside the building for storage of boats, automobiles, other motorized vehicles or lawn equipment during the offseason. The rental of available space will be on a first come first serve basis and arrangements for it must be made with the Maintenance Building Chairperson. The cost for such rental shall be set by the Board and will be based on the space requested.
2. The yard area immediately adjacent to the maintenance building may be utilized for storage of utility trailers, boats and boat trailer at a cost set by the Board and will be based on the space requested.
3. Both inside and outside storage requires that a rental agreement be executed between the member and the Maintenance Building Chairperson so describing the usage of the area. This rental agreement will then become a permanent record of the Secretary or Treasurer of the Lake Elbo Club, Inc.
4. In the event any items are found stored (inside or outside) for which there is no rental agreement on file, the Board of Directors may request the item/items be removed. If the item/items are not removed by the owner in a timely manner, the Board may have such item/items removed at the owner's expense. **This area is not to be used for the purpose of disposing of inoperative vehicles or equipment.**

2. Lake Elbo Club camping areas are defined as the area below the dam and the area on the point. ***These two areas are restricted to tent-camping only.***
3. Members are permitted to use campers, portable dwelling units or tent for overnight or weekend camping on their own property. Weekends are defined as Friday evening through Sunday evening, except when Friday or Monday is a holiday; then the weekend begins on Thursday evening or ends on Monday evening, respectively.
4. A permit must be obtained through the Board of Directors for any camping periods not described above. Permits must be obtained prior to the intended use.

LAKE ELBO CLUB, INC
RULES & REGULATIONS
Updated January 17, 2021

SECTION N
LAKE ELBO BUILDING CODE

Architectural considerations and preservation of natural amenities are major planning objectives in the further development of the Lake Elbo Subdivision. The items outlined herein are not intended to be unduly restrictive or inflexible, but rather to be used as a minimum standard to attain and maintain a desirable level of consistency and quality in community appearance and generally maintain property values throughout the Subdivision.

There shall not at any time hereafter be erected upon any lot or upon part of it, any building or structure other than for residential purposes. No businesses of any nature shall be permitted, maintained, or conducted thereon. Not more than one residence at a time shall be placed or kept thereon and no such residence shall be designated or converted for the use of more than one family.

1. Plans Approval – No building structure, or improvement including, but not limited to excavation, grading, walls, fences, etc., shall be commenced, constructed, or maintained on any lot, nor shall any exterior addition, change, or alteration thereto be made until proposed improvement plans have been submitted to and approved in writing by the Lake Elbo Board of Directors. Procedure for obtaining such approval is as follows:
 - a. The applicant must present to the Board of Directors at a regularly scheduled meeting, the completed building application and one (1) copy of the building plans to be retained by the Lake Elbo Club as a permanent record.
 - b. The applicant shall submit payment of building fees at this meeting. Fees shall be determined by the Board of Directors but will not be less than the following:
 - i. Homes, additions, garages or storage structures - \$1.00 per square foot to include all interior space and including unfinished areas.
 - ii. Excavated soil and rock to be removed from site - \$1.00 per cubic yard. Member must submit a contractor's estimate for this volume.
 - iii. Garden/storage structures 200 square feet or under may be exempt from fees if the Board determines that it is unlikely that road damage will occur due to this construction.
 - iv. Fees may be refunded if the permit is denied or if no construction occurs and a request is submitted to the Board prior to the expiration of the permit. All fees

LAKE ELBO CLUB, INC

RULES & REGULATIONS

Updated January 17, 2021

collected under this section shall be deposited in the “Perpetual Road Fund” to be used only for the repair and improvement of the Lake Elbo roads.

- c. The Board of Directors has until its next regularly scheduled meeting to review the plans to assure that the plans conform to the Lake Elbo building code and fee structure. Action on such request will be an agenda item for this meeting. A site visit shall be done by the Board of Directors or at least two members of the Board before approval of any plans. The Board of Directors may reject a plan, request changes, or find additional fees are necessary. If the plans are resubmitted and additional fees paid, the Board has ten (10) days to act on the resubmitted plans.
- d. Once the signed building permit is received from the Board of Directors, the member must then obtain a building permit from Pottawatomie County.
- e. The member must obtain a permit from Pottawatomie County for construction or alteration of any septic system.
- f. The member shall allow such access to the property as necessary for the Board of Directors or a designated representative to confirm that all restrictions, requirements, and fees are in compliance with these rules.

2. Building Restrictions

- a. Construction of a new home will not be permitted unless that home is constructed upon a minimum of three adjoining lots; all titled to the member having the home constructed. In the event that an existing home is rebuilt or remodeled, this minimum will not apply.
- b. All dwelling structures within the Lake Elbo Subdivision shall have a minimum of 1,000 square feet of floor space, exclusive of porches, garages or unfinished basements.
- c. No basement wall or foundation is to extend more than two (2) feet above existing ground level or high point of the existing lot.

If a member intends to construct any building taller than one story above basement (excepting on back lots) or build on lots where other’s view would be obstructed, the Board of Directors must be so advised while the project is in the ***design stage***.

- d. Tarpaper or metals are not allowed as roof materials unless covered by gravel, slate or shingles. The Board may approve a ribbed or other architectural-style metal roof with G-90 galvanized roofing material on a case by case basis. This material must

- meet or exceed 29 gauge with an 82,000 psi tensile strength. Colored screw fasteners must be used and the material must have a factory applied paint finish with a 30-year guarantee. Metal roof color must also be approved by the Board of Directors.
- e. No camping or mobile home trailers of any kind shall be allowed to be moved in or upon any lot in the Lake Elbo Subdivision as permanent residences.
 - f. Manufactured homes are not allowed to be moved into and/or constructed in the Lake Elbo Subdivision. All manufactured homes that existed in the Lake Elbo subdivision prior to January 1st, 2019, will be grandfathered in and permitted to remain.
 - i. A manufactured home is as defined by the National Manufactured Housing Construction and Safety Standards Act of 1974, as a structure, transportable in one or more sections, which, in the traveling mode, is eight body feet or more in width or forty body feet or more in length, or, when erected on site, is three hundred twenty or more square feet, and which is built on a permanent chassis and designed to be used as a dwelling with or without a permanent foundation.
 - g. Any structure for which a permit has been granted must be completed within 12 months from the date permit is issued or permit may be withdrawn, and the structure ordered removed. Consideration for renewal may be given if satisfactory progress has been made.
 - h. After due notice and hearing has been given to any violator of the building and sanitary rules, the Board of Directors may order said violation to be corrected to a point where, in its opinion, no hazard, unsightly appearance or unsanitary conditions exists. Costs will be charged against the property of the violator.
3. Set Back Requirements
- a. No structure shall be less than twenty-five (25) feet or 25% of the length of the lot, whichever is the least, from a property line along any street, walkway or parkway or less than six (6) feet or 10% of the width of the lot, whichever is the least, from any adjoining property line.
 - b. No structure shall be erected upon any walkway or parkway surrounding the Lake or on the Lake Elbo dredging easement situated north of the platted subdivision.
 - c. Garages, carports, and storage sheds may be erected after approval of the Board of Directors. All set back requirements apply to these building as well as homes. Metal

LAKE ELBO CLUB, INC

RULES & REGULATIONS

Updated January 17, 2021

buildings will not be permitted. Design and construction materials should be complimentary to the home design.

4. Other Construction Restrictions
