Members not in Attendance:

Jeff Pishny, President	Jim Lund

The meeting of Lake Elbo Board began at 6:30pm on Tuesday, March 9, at the Lake Elbo Clubhouse and was scheduled for the purposes of discussing the mowing contract for the summer 2021.

The Board discussed the proposals for mowing of Lake Elbo for 2021. Discussion included mowing occurring Monday – Thursday, that the contracted person must present a physical contract and insurance, and that all mowing questions by the membership be directed to Mark Smith. Joel Force motioned to approve Jeff Pishny's proposal for mowing at Lake Elbo for 2021 with the prior specifics listed above. Rita Taylor seconded. Motioned approved to contract with Jeff Pishny for mowing of Lake Elbo at the rate of $836/month from April 2021 – October 2021. Mark Smith will notify the companies who submitted application of the decision.

The Board also discussed Dredging and the membership requesting that we Dredge as much as possible this spring. Discussion ensued regarding offering to train and pay other members of to Lake to dredge as well. Danielle Force will post this information on the Lake Elbo Facebook page for the April 2021 meeting and request attendance for anyone interested. Additionally we will request that Jeff Pishny add this item to the agenda.

The Board discussed the issue of algae around the Lake and treating the lake with copper sulfate. Rita Taylor volunteered to take on this project and apply the product to the lake this spring. Danielle Force made a motion for the purchase of copper sulfate up to $500 to treat algae in the lake. Joel Force seconded. Motion approved.

The meeting was adjourned at 7:10pm.
